

# The Fingal Centre

## Voyages *find your way...*

**Starting February 2012**  
**Wednesdays & Fridays 11am - 1pm**

**Voyages** is a 26 week training and education programme for adults engaged in recovery from drug addiction.

The course provides participants with basic computer skills (FETAC Level 3 Computer Literacy) in a relaxed learning environment, and introduces them to a wide variety of local services and organisations.

It is **FREE** to do this programme.

**For further information:**
